MUDVILLE ROAD BRIDGE OVER BIG CREEK

SHELBY COUNTY ENGINEERING DEPARTMENT

Shelby County Government, Tennessee, an Equal Opportunity, Affirmative Action Employer, seeks to retain the services of an engineering consulting firm to provide professional services related to the design of a new bridge on Mudville Road over Big Creek. This project shall adhere to all applicable Federal and State procedures and regulations. The engineering consulting firm must be on the Tennessee Department of Transportation's (TDOT) pre-approved list.

Information pertaining to TDOT prequalification procedures, list of pre-qualified firms, and additional information can be found at the following internet address:

<http://www.tdot.state.tn.us/consultantinfo.htm>. Any firms without internet access can contact Ms. Tosha Davenport at 901-222-2250 and she will provide this information to you.

This notification and any future information regarding this RFQ will be located on the County's website at www.shelbycountyttn.gov. At the top of the home page, click on the links "Department", "P" for the Purchasing Department and "Bids" to locate the name of the above-described Request For Qualifications. Interested parties should submit a **Letter of Interest** and **Statement of Qualifications** related to the services requested by the Request for Qualifications ("RFQ") specifications. Based on an evaluation of responses to this RFQ, one or more firms/consultants will be selected and invited to participate in further discussions and negotiation of a contract for the requested services.

General Information:

This project will include the construction of a new bridge over Big Creek. The existing bridge is a five span bridge, 155 linear feet in length and constructed in 1951. The bridge width is 23'-4" out-to-out and 22'-0" curb-to-curb. The superstructure is comprised of a composite concrete deck with steel wide-flange beams, and rocker bearings. The barrier wall is concrete post and beam. The substructure is comprised of two spill-thru abutments and supported by concrete piling.

Project Scope:

A general scope of work is as follows:

1. Perform engineering services necessary for environmental permits and hydraulic and structural analyses required by current TDOT standards and specifications for the replacement of the Mudville Road Bridge over Big Creek.
2. Prepare engineering design plans and if necessary, right-of-way plats in conformance with current state and local specifications.
3. Assist with construction administration services, i.e. review and approve submittals; structural and materials testing and inspection.

Proposals:

Interested consultants should submit a Letter of Interest and Statement of Qualifications including, but not limited to, the following:

- Firm name, address, and telephone number.
- Point of contact: name and telephone number.
- Past experience specific to bridge design.
- Qualifications of staff and if applicable sub-consultants.
- Possess a professional license to practice engineering in the State of Tennessee.
- Adhere to all Title VI requirements and provide proof/documentation.
- Statement of level of certified Locally Owned Small Business (LOSB) participation (**project goal is 20%**) and approach for meeting the participation requirements.
- Inclusion of a fee is not required. A cost proposal will be negotiated with the selected consultant.

Non-Discrimination and Title VI

The contractor hereby agrees, warrants, and assures compliance with the provisions of Title VI and VII of the Civil Rights Act of 1964 and all other federal statutory laws which provide in whole or in part that no person shall be excluded from participation or be denied benefits of or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the contractor on the grounds of handicap and/or disability, age, race, color, religion, sex, national origin, or any other classification protected by federal, Tennessee State Constitutional or statutory law. The contractor shall upon request show proof of such non-discrimination and shall post in conspicuous places available to all employees and applicants notices of non-discrimination.

Any recipient entity shall be subject to the requirements of Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d et seq., and regulations promulgated pursuant thereto. It shall develop a Title VI implementation plan with participation by protected beneficiaries as may be required by such law or regulations. To the extent applicable, such plan shall include Title VI implementation plans sub-recipients of federal funds through the entity. The contractor shall produce the plan upon request of Shelby County Government. Failure to provide same shall constitute a material breach of contract.
